

An Invitation from Principal Hull

Dear Pueblo Community Member,

It is time to mark your calendar and put aside a couple hours to share the Leadership accomplishments of our Sunset Park Yearlings. Friday, May 18th will represent the 2nd Annual Leadership Day at Sunset Park Elementary. We are growing with excitement and pride to be Pueblo's only Leader in Me School and can't wait to share this with you. Come see students in all grade levels leading their own learning by using a goal setting process and tracking their progress and accomplishments in their Leadership Notebooks. Come hear how the 7 Habits are reflected in the efforts from Leaders in Our World. Experience firsthand how our Yearlings are using the Leader in Me process to transform the culture of Sunset Park Elementary and grow our positive influence in our community.
