Hold On To Your Hats

Was that just about the most amazing Fall you have ever seen? Just had to say that. I believe that it is important to recognize and celebrate the good things as much as we complain about the bad:)

I say hold onto your hats, because once we hit the holiday season it just feels like we enter a time warp and everything just speeds up. Before you know it, it will be Christmas Break. Keep a close eye on the calendar and as always give us a call if you have any questions.

Parent Teacher Conferences will be held on Thursday, November 3rd from 2:00-3:30 and Friday, November 4th from 8:15-3:30. Please make sure to check with your child's teacher for a time if you have not already secured one. We certainly hope to see you Thursday or Friday, and as always, if you have any specific questions give us a call at 549-7610.

Certainly hope you and your family have enjoyed this beautiful Fall.

Leading the Way

I hope that the Leader in Me program has found it's way into some conversations at home. It has been really neat to see students applying the habits to their lives here at school and has been great as a member of the staff to see how it has energized us as well. We finished up teaching the 7 Habits of Highly Effective People on the last week of October, but that isn't the end for sure. We will be starting some projects over the coming months here at Sunset Park to "Leaderize" the building. We look forward to your feedback and welcome your assistance. If you are interested in helping out with painting or if you have a special skill that you would like to share please let us know. We will have an assembly on the 18th to demonstrate how the Habits are helping us Lead. Please feel free to ask questions at Parent Teacher Conferences as well.
