

Go Big Work Hard & Be Good

November 2nd-30th

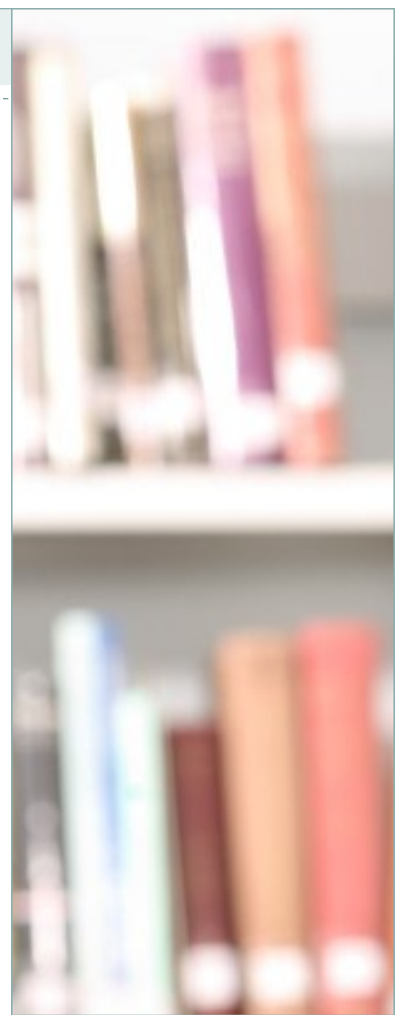

Sunset Park November Newsletter

A CORNACOPIA OF ACTIVITIES

Please keep a close eye on the calendar this month! There is something going on around every corner. There will be no school for students on both the 2nd for a Teacher Work Day and the 9th for Parent Teacher Conferences. Conferences will run from 11:30-7:00PM with no scheduled appointments. We moved conferences to a Monday based on feedback from last year's conferences. Picture Retakes will be on Thursday, November 5th and information in regards to Class pictures will be available at this time. The District is holding a Veteran's Day Presentation Ceremony at Memorial Hall on the 10th at 6:00PM and then we have Vision and Hearing screening on the 12th with the Student Council Induction Ceremony on Friday, November 13th at 12:45PM. For the Coup de gras the Talent Show will be held for the public on Thursday, November 19th at 6:00PM. So rest up and give us a call if you have any questions.

A Piece of Your Mind

Believe it or not we actually want to know what you think:) In case you didn't know, the state requires every school to complete what is called a Unified Improvement Plan or UIP every year and keep it updated throughout the year. This document is eventually available on line, but I am hoping to have a few of you join me to look ours over after the PTCA meeting on Wednesday, November 18th. It is important to us that we are guiding the school in the direction our community desires. Hope to see you then and the PTCA meeting starts at 3:30 PM in the Sunset Park Media Center. If you are interested in seeing the UIP and can't make the meeting give us a buzz in the office and we can set up a meeting to share what is in there. 549-7610

SPECIAL POINTS OF INTEREST

- Ask your 5th grade student about jobs and how their HEAT notebook is coming.
- Ask your Primary student how the "Time Machine" works.
- NO SHORTS AS OF NOVEMBER 3rd. This is due to the fact that we will do all we can to get kiddos out for some exercise at recess and sometimes that will mean heading outside in temperatures in the 30's. Thanks
