

# Sunset Park April Newsletter

April 1st-30th

## Special points of interest:

- Congratulations Mr. Flowers on receiving the honor of CSU-P Alumni Teacher of the year! We are proud of you!
- Our PTCA (Parent Teacher Community Association) will now be known as The Parent Lighthouse Team. This transition is reflective of our core values in The Leader in Me.
- Sunset Park will be making our bid to become a Lighthouse School in May. We will keep you in the loop as to how you can help.
- We only have about 20 more Kindergarten slots if you know someone that is interested they better hurry.
- It's a great day to be a Yearling!!!

## Learn, Love & Lead

### FOUR....

Am I the only one that cannot believe that it is the fourth quarter already? What an amazing year full of accomplishment, connections and leadership. Our Dr. Seuss Leadership Day was a big hit and so much fun. We are almost through all of the habits with our 7 Habits of Successful Families Nights, We had a successful chocolate sale, Fall Festival and Santa's Secret Shoppe. This has allowed us to order 25 new Chromebooks and a cart, take some great field trips and there is more to come. The constant transformation of our school based on the efforts of our Student Action Teams is more and more evident. This has led to more outside agencies getting on board to help. Mr. Feamster has offered a helping hand to our Cooking Action Team to teach them how to make pizza. Thanks Dave. If you or someone you know would like to help out just give us a call and let's figure out how we can benefit from your greatness.

### CMAS Time...

Well here we go again. It is time for kiddos to show what they know. I'm sure this group of Yearlings will once again make us proud. Some things families can do to help us out for testing is number one, be to school on time. Try to remain positive as this is something that is happening all over the state and it is vital to our accreditation as a school and district. Finally, try to schedule any appointments outside of the school day for the first two weeks of April. If a 3rd-5th grade student is present every day for the first two weeks of April then they will be completely done with all state testing by Thursday, April 11th. We hope to be completed as soon as possible so that we can get back to normal as soon as possible. Please do not plan any pop ins or special celebrations without contacting your child's teacher prior as parents will not be allowed in testing areas and we don't want anyone to be upset because their child is testing when they hoped for a party. If you do not want your child to test, please get and complete the form with Mr. Hull prior to the start of testing. Thanks for your support and Good Luck Yearlings!!!
