# ART

My mission is to guide my students through the artistic process and to think like artists as well, by encouraging the use of creative thinking and self-expression.

### In this class we will...

- 1. Observe and Learn to Comprehend-** The visual arts are a means for expression, communication and meaning making.
- 2. Envision and Critique to Reflect-** Visual arts recognize, articulate, and implement critical thinking through the synthesis, evaluation and analysis of visual information.
- 3. Invent and Discover to Create-** Generate works of art that employ unique ideas, feelings, and values using different media, technologies.
- 4. Relate and Connect to Transfer-** Recognize, articulate, and validate the value of the visual arts to lifelong learning and the human experience.

(Colorado Academic Standards)

### Donations and Volunteers

- We are always in need of Clorox wipes, baby wipes, Kleenex, and hand sanitizer. If you could send to the art room, that would be greatly appreciated!!!
- If you would like to donate your time, I am always in need of help putting up art, taking art down and sorting. Just let me know, I would love to have the help.
