# Sunset Park December Newsletter

## Special points of interest:

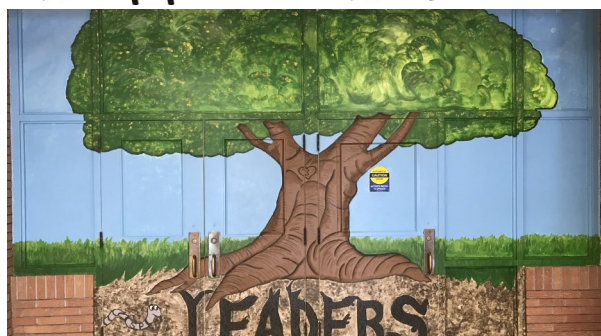

- Please keep a close eye on the calendar for December. Time will fly and there are all kinds of activities taking place.
- The next PTCA meeting is this coming Wednesday, December 6th @ 3:30. Hope you can make it.
- Thanks Mrs. Taylor for your support of our DI program.)
- Thanks for your attention to the student immunizations. You did a great job this year.
- For those of you that participated in a student led conference I'd love to hear your feedback. We believe that this approach leads to student ownership of their data and performance and helps with goal setting as well.

## The Leader in Me™

great happens here

I'd be lying if I said I wasn't excited about some of the Leadership I have observed over the past year and a half at Sunset Park. I can also tell you that I never get tired of the stories parents share with us about students bringing the 7 Habits home and using them to solve problems or make positive decisions away from school. That is what we had hoped to see, is that all Sunset Park Yearlings would be given a strong foundation in which to support them the remainder of their lives. Thank you for your support of Sunset Park as Pueblo's only Leader in Me School. We are well on our way to becoming Southern Colorado's first Lighthouse School!

This Christmas Tree keeps giving the whole year long...

Sunset Park would also like to thank you in regards to your support of our school wide WIG. Together we are making a positive impact on attendance that may end up being a model for how to improve student attendance across the district. At the time this went to print we had dropped our Chronic Absenteeism by over seven percentage points in November, from over 27% to under 20%.
