

**Go Big, Work Hard
& Be Good**

Sunset Park December Newsletter

December 3rd-20th

Happy Holidays Yearlings

Special points of interest:

- * There are two informational meetings left if you have not yet attended in regards to the state of the facilities and what might be done about it for Pueblo City Schools. The first is at East High School on December 18th and the second is at South High School on December 19th. Both are from 6:00-8:00 and will have the same information. Please consider attending.
- * Please keep an eye out for the Yellow Choice Button on the district website coming around the middle of January. This is especially important for Preschool heading to KDG and 5th heading to 6th.

This may be my favorite time of year to work in an Elementary School. To be able to see the world again through the eyes of a child is a magical thing. I would like to encourage all of you to keep a close eye on the calendar and the website as well as subscribing to your child's Classtag account to ensure you have the best information available for events, parties and special days. We always feel bad when folks don't have the information they need to support their child. On that note always feel free to call us at 549-7610 if you are unsure.

Dreaming of a White Christmas

Here are a few of the highlights of what to expect in December:

December 3rd-6th Sparky's Secret Shoppe will be open from 7:30-3:30

December 5th is the Choir Concert 6-7:00 PM

December 6th is the Science Fair in the morning

December 19th is Habit 3 for the 77 Habits of Successful Families 5:30-7:00

December 17th-20th are Spirit Days, Hats, Hair, Sweaters, Dress Up

Our Cups Are Half Full :)

Isn't it amazing that come December 20th we will be done with the first semester or basically half way done with the 2018-19 school year? Boy that went fast! Just think of what we have accomplished though: We have held four 7 Habits of Successful Families trainings to support our community, represented at the Peace Summit, figured out some of the kinks in the four day week, started Big Rocks Action Days, made significant progress towards our School-Wide WIG in Math, we have some of the best attendance in Pueblo, we had an amazing Fall Festival, watched the Nutcracker, got pumpkins, collected food and coats, won Art awards and who knows... We may have just learned a little along the way. Knowing our cups are half way full now, I expect them to be overflowing by the end of the year because we are just getting started! Thanks for your support!
