## BIG Rocks Action Days

By George I think we might just be on to something with Big Rocks Action Days. I love the energy and the focus for our Yearlings as they head down the halls on their way to their clubs, teams or groups. One of the neatest things is that these were all student ideas and were dreamed up through their desire to Learn, Love & Lead.

Part of the momentum these monthly days have created is creeping out into our community. We have already forged a partnership with the Kiwanis and South High's Key Club becoming the only K-Kids Club in Pueblo to help synergize and grow our leadership footprint and we have volunteers from our community coming in to share their greatness and leadership stories with us. I bet there are more of you out there... How could you help support our Leaders... I'm listing all of our Leadership groups now so you can see where you might fit. If you don't fit come talk to me because we might need to start a new team next year!

Here are all of our current leadership opportunities: Yearbook, School Newspaper, School Beautification, Sports Team, The Outsiders (Helping the outside of the building look clean and sharp), Box Tops, Maker Space, Coding and Robotics, Assembly Leaders, Cafeteria Crew, K-1 Mentors, Math Tutors, K-Kids and Jr. Light-house, Cooking Club, Study Hall, Announcement Leaders, and Library Helpers.

Here is Dave Feamster helping our Cooking Club learn how to make Little Caesar's Pizza.

## Lighthouse Review

The BIG Day is set! Sunset Park will be making our case for why we should be considered a Lighthouse School on Thursday, May 23rd. "So what?" You may be thinking... This would put Sunset Park in some extremely rare company. Currently there are only six Lighthouse schools in Colorado and less than 500 in the entire world. This would set Sunset Park up as a model for other schools around the region and serve as a destination for training and guidance to other schools looking to become Leader in Me schools as well. Finally, it would show validation of all of the hard work our staff, students and community have been putting in over the past four years. Here we go!!!

### Special points of Interest:

- There are two more Pre-school/KDG Round ups. May 2nd and May 17th at Paragon Learning Center from 8:30-1:30. This is the only way to register for Sunset Park Preschool. Please bring a copy of birth certificate, shot records, proof of address and income. It is still possible to register for Kindergarten at Sunset Park Elementary.

- Keep a close eye on the calendar this Spring. There is a ton going on at Sunset Park and we would hate to have you miss something.

- Celebration Day Times for Wednesday, June 5th.
