**SPECIAL  
POINTS OF  
INTEREST:**

- Need a Friday option? The Boys and Girls club is running a Friday program at Highland Park Elementary for a very reasonable cost if you would like to try and enroll your child. Please contact Becky Medina at 564-0055 Ext 111 for more information.
- Keep your eyes peeled for the Choice Window to open up for next year. This is especially important for incoming KDG and out going 5th grade students.
- We still have 4 year old pre-school slots available for this year.

## HAPPY NEW YEAR

2019 is sure to be a banner year for Sunset Park Elementary. We are keeping our fingers crossed that with the hard work of our students, staff and community we may reach Lighthouse School status in the Leader In Me program and become nationally and internationally recognized for doing so. There are currently only 410 Lighthouse schools in the entire world. So that will put it into perspective a little as to what type of accomplishment that would be.

**Currently there are only five Lighthouse schools in the state of Colorado. Let's make it six!**

On another note I wanted to thank Mrs. Tate for helping us out and creating both a challenging and stable instructional environment for our Kindergarten students this past semester. We would also like to welcome back Mrs. Cappelucci who will be starting on Monday, January 7th. We are glad to have you back;)

Lots of cool stuff taking place in January so please make sure to keep a close eye on the calendar, classtag and all calls. You can even check in for the student announcements that are available every day on the Sunset Park Website. Working together, I believe 2019 will be an amazing year!!! Go Yearlings!!!

## CELEBRATION DAY

In an effort to have our school student led to the greatest degree we have begun the transition to a Celebration Day versus the old fashion sit and get awards assembly. We hope you enjoy and we also welcome your feedback on how we can make the day even better. Celebration day is Thursday, January 17th. Here is the schedule for the different grade level celebrations:
