

Sunset Park March Newsletter

Special points of interest:

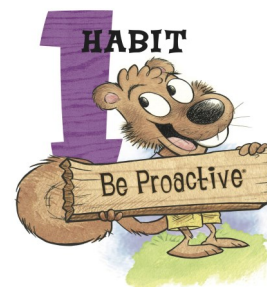

- The next Kindergarten/Preschool Round Up is on Friday, April 26th. If you have a KDG Student to enroll and would like to do this prior to April 26th just stop by the office at Sunset Park and we will help you take care of it:) Spots are filling up fast though so the sooner the better!
- Ask your child what they would say if they saw someone being bullied. We have practiced this and they should say, "STOP! We are Leaders working together." This is called interrupting.
- CMAS Testing will begin Tuesday, April 3rd and we will have scheduled tests Tuesday-Thursday the following 3 weeks. All scheduled tests will be done Thursday, April 19th barring a snow day. Then just make ups.
- Have an amazing Spring Break!

Flu Flu Go Away

What a year to pick for an attendance WIG. Hopefully we have put all of the germs and bugs behind us for 2018. Our 2017 attendance for August through December was an improvement in every month as compared to the previous year. January and February 2018, not so much. Let's finish strong for the 2017-18 school year and see if we can't get back up around 96%. It is a lofty goal, but attendance is such an important part of education and I guess success in life in general. We appreciate your efforts to get your children to school on time ready to learn.

Thanks to those of you that gave us your feedback on our Spring Parent Teacher Conferences. We value your input and are always working to make adjustments to meet the needs of our community. So as always, if you think you have a good idea to help us improve please don't keep it to yourself. We are here to serve our community and with your support grow the best leaders and citizens we can help produce.

We are considering bringing in a workshop on supporting bringing the 7 Habits into the home. Please let us know if you would be interested in attending a parent training in regards to this. We may have an opportunity to host the training for Southern Colorado.

Even with a few tough months we are still 1% better than last year:)

Destination Imagination Going Strong

Our DI Teams will be entering into the regional competition at PCC on Saturday, March 10th. Sunset Park has doubled our participation from last year boasting four competitive teams in 2017-18. Below are the Team Names and Times for competitions if you are interested in watching them perform. You will need this information in order to attend. A special thanks to Mrs. Taylor and our wonderful coaches for giving us these great learning opportunities.

Scientific	106-84695	Space Cruisers	8:00 AM
Technical	106-84816	The Peanut Butter and Jelly Dogs	8:40 AM
Scientific	106-60159	VI Mighty Sailors	1:40 PM
Service Learning	06-41502	The Animal Crew	9:00 AM
