

GO BIG, WORK HARD
& BE GOOD

SPECIAL
POINTS OF
INTEREST:

- Parents please remember that by pulling kids out early they are marked as a partial day absence. This is impacting your child's attendance and that of the school.
- If you haven't been to the Sunset Park Website lately give it a gander. Just another example of Leadership. We welcome your feedback on how we can improve it to meet your needs.
- Thanks to Ms. Brown, Mrs. Raebel and Mrs. Desalvo for supporting Sunset Park on the DAC.

Shining a Light on Gratitude

What better month to focus on gratitude than November, with an entire holiday dedicated to giving thanks. If you have watched the news at all lately you would think that all that ever happens is negative and that there is very little to be thankful for left out there. (That is probably why I don't watch the news:) I hope to give some sharp contrast to the message the news so delightfully showcases on a nightly basis. Here are some things Sunset Park is thankful for:

Some of our Peace Summit Leaders.

- ◆ Our community all came together to provide a fabulous Fall Festival. Everyone synergized together and supported a fun family friendly event that raised over \$6,000 for our PTCA. These monies support everything from technology to fieldtrips.
- ◆ Our Student Lighthouse Team made us very proud at the recent Peace Summit educating the community in regards to The Leader in Me and the 7 Habits.
- ◆ Parents are jumping on board our school WIG of 96%+ attendance and things are improving. Sunset is at 95.5 for the school year so far. This is 2% higher than where we left off last year!
- ◆ To date Sunset Park has raised over \$4,000 for the Monster Mash to support our Specials Programs like Art, Physical Education and Music.

So A BIG THANKS to all of you in our community that help us Build LEADERS!

Parent Teacher Conferences

To be able to effectively support the number of meetings required at some of our grade levels Sunset Park will be having an Early Release on Thursday, November 9th with students getting out at 1:45 and then will have no contact on Friday, November 10th. If you have not yet set up a scheduled time for your conferences with your child's teacher please do so as soon as possible as we hope to meet with each of you to discuss progress and celebrations. If you have any problems give us a call at 549-7610 and will work with you to come up with a time. We are also very excited to be kicking off student led conferences in many of our grades. We hope you like it too.
