

, WORK HARD & BE GOOD

**September 1st
-29th**

**Special points of
interest:**

- **Your child attends the only Leader in Me School in Pueblo!**
- **Sunset Park is a performance School once again based on the state of Colorado's school accreditation system. Great job Kids, Teachers and Community.**
- **Pilot Program for Attendance called CPR coming our way. Many of our families may receive invitations for this event on Wednesday, September 20th, but all are invited. This event is directed as a community approach to increasing positive attendance habits and we need to all work together to remove barriers to positive attendance.**
- **Safety Committee meetings will be held on the 2nd Monday of every month at 3:30 for any parents interested in participating.**

Sunset Park September Newsletter

“WIG”ging Out!!!

Ask your child what their Wildly Important Goal is. Sunset Park's WIG is to move from 93% to 96+% Average Daily Attendance by June 1st

What a positive start to the year. Thanks for your trust, support and getting your child to school every day on time. Our attendance is rocking and we very much appreciate your support. The Sunset Park WIG or Wildly Important Goal is to move our attendance from 93% in 2016-17 to 96%+ by June 1st of this year. You will likely hear a lot about our progress and we believe that if we achieve our WIG our student growth will follow. Our first Fire Drill went very well and the students did an amazing job following the directions of their teachers to help keep the students safe. Lunch is steadily improving in efficiency and some small changes that have been made are paying dividends already:)

A few other notes that will help Sunset Park continue on a positive start are: Please do not drop students off in the crosswalks of the drive through and also please do not park and leave your car unattended in the drive through. The main doors near the office and the staff parking lot are not intended to be used as a main student drop off. Finally, Thanks for your prompt return of the start of the year paperwork:) We appreciate it!!!

The Leader in Me Year Two

I can't begin to tell you how excited we are for our second year of the Leader in Me. This is the year we will be introducing Leadership Notebooks, starting Student Led Conferences and building upon the foundation of the 7 Habits we began last year. Our Student Lighthouse Team will be up and running by the end of September and numerous student leadership action teams will be created in the near future as well.

We encourage all students to get involved and to “Find Their Voice”! Parents that goes for you too. We can't fully meet the needs of our community if we don't know what they are, and we can't use the genius of our community if we don't know what it is. So jump on board and share your genius with us. Imagine the possibilities!!!
